Internship Experience Letter

This is to certify that Ashutosh Mishra has successfully completed his internship with IBENTOS LLP as a part of "**Software Engineer AI Research**" from 04th September 2024 to 04th March 2025. He has successfully completed the tenure with excellent performance. The feedback from his reporting officer Mr Arun Soni:

Ashutosh was a Software Engineer AI intern with us between September 2024 to March 2025 and was tasked with delivering as under:

- 1. Create AI assistant on nextjs.*
- 2. Create exam questions using AI and add them in csv file.*
- 3. Working on hotel assistant AI.*
- 4. Also work with me on some parts of configure assistant model.*

Ashutosh was a joy to work with. His strong work ethic along with prompt work marked his as a true professional. He never hesitated to ask for improvements in his work and sent in his work post review in a timely manner, resulting in high-quality deliverables. He incorporated all advice and criticism into his work, managing to grow significantly in the six months that he worked with us.

He superseded all expectations as an intern, and we would gladly recommend him for all his future endeavours.

We wish best of luck for future.

Yours Sincerely,

For **ibentos LLP**

Harpreet Singh
